

Symptoms and prognosis

2 Timothy 3:1-9

Symptoms

“Over the last half century, militant atheists have creatively camouflaged atheism as ‘humanism’ and vigorously promoted it in schools. An indoctrinated younger generation has bought widely into believing that God does not exist, this life is all there is, humans are the pinnacle of the evolutionary process, and that ‘religion poisons everything’.”

- Limpets v.6-7
- Jingle and jangle v.8
- Fools v.9

Conclusion

“Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. For all that is in the world--the desires of the flesh and the desires of the eyes and pride in possessions--is not from the Father but is from the world. And the world is passing away along with its desires, but whoever does the will of God abides forever.”
