

**"Am I thankful for My
Thorns?"**

2 Corinthians

12 : 7- 10...

We Get Accustomed to Our Blessings

Emerson said that if the stars came out only once a year, everybody would stay up all night to behold them. We have seen the stars so often that we don't bother to look at them anymore. We have grown accustomed to our blessings.

Evidences that we have grown accustomed to our blessings..

A spirit of criticism and complaining.

The idea that others have a better situation than we do.

Thankful for our thorns...
