

The Widow's mite.

Mark. 12 :42-44.

Mark. 12 :42-44.

Verses 38-40 Beware of the dangers of Spiritual pride.

Mar 12:41 *“many rich people were putting in large sums.”*

I can think of no great area that we could fall to this temptation than in the area of giving.

Mar 12:42 Her offering must have seemed very out of place in the midst of the large offerings being given by the rich.

Mar 12:43 Jesus measures our giving, not by what we release back into the kingdom but rather what we cling to in our kingdom.

What kind of Giver is God ?
