## 4 key truths in answering God's call

**Vr. 7b-8 Success is a byproduct of faithful obedience!**

- Be careful to do what God has told you to do.
- Be careful to remain on the proper path.
- Success will follow faithful obedience.
- You can't walk according to the Word if you don't know it.

*“Who or what defines success for you?”*

**Vr. 9 Faith in Him is Key to defeating FEAR in you.**

Here's the main point.

God has a calling on your life and for most you have approached that calling with fear and frustration. You are not living the Life God has called you to. And most of that rejection is based in fear.

*Fear is robbing you of the blessings of being who and do what GOD wants you to be and do.*

**The answer to that problem is faith.**
